RE: LaVern and Sandra Burdick

Word in Life Ministries

Dear Friends,

This letter is to introduce Vern & Sandy Burdick. The Burdicks's have been involved with Mission Teens ministry for over 18 years. They have visited and ministered in many of the centers across the country. They are both Rhema graduates and teach extensively on the Gifts of the Spirit and who the Holy Spirit is.

Of extra significance is that Sandy spent an abbreviated resident and staff training period in our Midwest Mission Bible Training Center in Cresco, Iowa to learn all the things the residents and staff go through during their commitments at the Mission. This really gives her a unique perspective when teaching and counseling.

It is our hope that they are given the opportunity to share and teach wherever the Lord's sends them.

Feel free to address any questions you may have to me in Michigan via my office # (906) 265-9546.

In His Service,

Kathy Sala

Assistant Executive Director
